Scraps of paper, bits of string, and sticker remnants are among the materials Wynn Davis gathers during his daily runs. Visceral details in Davis' bright, poignant collages evoke familiarity: songs from a blackbird, panoramic fall views, swaying grasses. Each detail unveils part of a story, some of which viewers will recognize and some that build a narrative for viewers to interpret.

Wynn Davis | Salvaged Memories

Staring down at a blank piece of paper is as daunting as a 100-mile race. There is only one option, and that is to just do it." Wynn Davis
